

## Entry conditions of “rapid N exceed 24/analysis”

- The “rapid N exceed 24/7 analysis” **competition** takes place on the following page:  
<http://rapidnexceed.elementar.tv>
- The **organiser** of the “rapid N exceed 24/7 analysis” competition is Elementar Analysensysteme GmbH, Donaustr. 7, 63452 Hanau, Germany (hereinafter: “Elementar”).
- Every participant must ensure that entering the competition is legal and in accordance with the laws of the country of which he/she is a national and/or in which he/she is domiciled and/or in which he/she is located at the time of registration. Elementar offers no guarantee, either expressly or implicitly, regarding the lawfulness of any entries submitted by participants and with respect to other aspects of the competition. Persons from countries in which the participation in lotteries or competitions is forbidden by law are excluded from participating.
- Employees of Elementar and their families, as well as employees of Elementar’s subsidiaries or distribution partners and their relatives, and persons under the age of 18 years are generally **excluded** from participating. Participation through competition associations is also excluded. Entries made by any robotic or other technical means, as well as hackers, are also ineligible and will be disqualified from the competition. The user hereby acknowledges and accepts the terms and conditions of participation.
- Participation in the competition is **free** and not connected to the purchase of goods or services.
- The “rapid N exceed 24/7 analysis” competition takes place from September 29<sup>th</sup> 2014 up to and including October 5<sup>th</sup> 2014. The daily deadline for entries is 18:00 Central European Summer Time.
- **Prizes:** Prizes will be awarded to a total of eight winners. Entrants have the chance to win the following prizes:

The winners of the daily competition will receive a “ClicLite X\*tra Paket” (three solar panels to charge mobile devices) by Sonnenrepublik GmbH.

Apart from the daily competition, every participant has the chance to win a “GoPro Hero3 White Edition” camera as 1<sup>st</sup> prize.

- **Competition rules:** Participants in the “rapid N exceed 24/7 analysis” competition are required to submit their guess on the <http://rapidnexceed.elementar.tv> website. Estimates of how many samples per day are analysed by the rapid N exceed can be submitted until 18:00 Central European Summer Time. Every participant is allowed to submit one guess per day, multiple entries will not be considered. The participant who submits the best estimate of the number of samples analysed wins a “ClicLite X\*tra Paket”. If several participants submit the same best estimate, the winner will be decided by drawing lots.

Besides, all entrants who submit their estimate during the week have the chance to win a “GoPro Hero3 White Edition” camera. The winner will be decided by drawing lots.

The participant must also submit his/her personal data (compulsory fields: first name, surname, email address, address) so that Elementar can send the prizes to the winners.

- The **winners will be notified** by email by October 13<sup>th</sup> 2014. The winner will not be charged for any costs associated with sending the prize. If the participant is unable to claim or redeem the prize for reasons that the participant is responsible for, the participant loses his or her entitlement to the prize once the event has ended.

- **Early termination and exclusion:** Elementar reserves the right to cancel the competition at any time without notice and without giving any reasons. This applies in particular if Elementar cannot guarantee that the contest be conducted properly due to technical or legal reasons. In such a case, participants have no right to assert any claims against Elementar. Elementar reserves the right to exclude participants from entering the competition. This applies in particular if participants violate the terms and conditions of the competition, or if the participants manipulate or use any measures that could distort the competition. Elementar also reserves the right to exclude participants after the competition has closed, as well as to withdraw and reclaim prizes retroactively. The organiser's decision is final.
- As a general rule, **personal data** that are communicated to Elementar as part of a competition are only stored, processed and utilised by Elementar and, where applicable, cooperating partners involved for the purpose of carrying out the competition, provided that the participant has not expressly given his/her consent to further usage of the data. A transfer of data to third parties shall not take place. Upon conclusion of the competition, all data is deleted without further request, provided that the participant has not expressly given his/her consent to further usage of the data.
- The competition will be conducted exclusively in accordance with the laws of the Federal Republic of Germany. Should any of these provisions be or become invalid, it shall have no effect on the validity of the remaining terms and conditions and rules of the competition. The statutory provisions shall then apply in place of the invalid provision.
